Vogue's Beauty Files...

1. BEST LASH. Ready for a spectacular appearance and eyelashes with WOW effect? The Best Lash Mascara with extensions made of green tea extracts give your lashes up to 300% more volume and an incredible length – in just two easy moves. Visit www.best-lash.com

2. QHEMET BIOLOGICS specialises in high performance, natural hair care for tightly coiled hair. Their thick, rich Amla & Olive Heavy Cream, with its blend of castor oil, olive oil and ayurvedic botanicals, delivers lasting moisture to the thickest, driest hair. Their products are paraben-free and 100% vegetarian. Visit www.Qhemetbiologics.com or www.Sephora.com to view the full range. Visit www.Qhemetbiologics.com and enter coupon code 'Vogue' at checkout to receive 15% off of this product (expires 31/8/16).

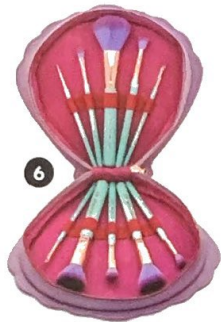

3. BELLE BUTTERS' Black Currant & Lavender Oil Cleanser is a gentle cleanser that removes dirt and impurities, giving the appearance of glowing skin with soothing black currant, carrot, lavender and sweet almond oils. For all skin types. 2fl oz., £17. Comes with 1 pore cleansing pad. Visit www.bellebutters.com

4. JAMES BEAUTY Daily Defense Serum. This super-charged antioxidant complex serum is the ultimate in daily skin care. Infused with high levels of Vitamin C, Ferulic Acid and Hyaluronic Acid that nourish the skin with moisture, the serum reduces the visible signs of ageing for a healthier-looking, more revitalised complexion. Cruelty, Gluten and Paraben Free. Visit www.jamesbeauty.com

5. SHEA ORIGIN – founded by Mobola Sagoe; a professional esthetician, with over 3 decades of skincare experience and expertise! Seen here is the luxurious Shea body balm with mint – a perfect summer beauty must-have! Visit www.sheorigin.com to order yours.

6. SPECTRUM are leaders in trend focused beauty tools, combining chic colours with expert design to ensure your makeup brushes are beautiful and of exceptional quality. Cruelty free and PETA registered. For 15% off use VOGUE15 at checkout, shop at www.spectrumcollections.com (offer expires 06/08/16).

7. SWEDISH'S HANDMADE Body Care, is a beauty care brand which is freshly made with no preservatives or chemicals in sight. Made with only natural oils, their gorgeous products will help to keep your skin soft and glowing. To view the full range please visit their site at www.swedish-handmade.com

8. Aqua+Skincare. Aqua+ PM-Zero Anti-Pollution Moisturising effectively protects skin against harmful air pollutants. With a matrix-forming property, the cream creates a shield acting like a second skin to make a screen from potential damage from PM2.5. Made using all-natural, non-toxic ingredients, the cream absorbs quickly for effective all-day moisturisation. Visit www.aquaskincare.ca

9. KLAIRS Midnight Blue Calming Cream helps to calm sensitive skin, working rapidly to help soothe stressed skin. The cream contains Guaiazulene, a herbal ingredient extracted from Chamomile, as well as Centella Asiatica Extract, which can help to strengthen the outer barrier of skin. For more information visit www.wishtrend.com

10. SAGE TONIC where ancient medicine meets modern science. This innovative suite of luxury 100% natural products is the next generation in research-based holistic health. Created by a Harvard-trained physician, blends of highest quality herbal teas and essential oil towelettes are expertly sourced and designed for on-the-go wellness. Enjoy ENERGY, FOCUS, RELAX, and SLEEP and more! Visit www.sagetonic.com

11. OVERTONE conditioners are vegan, colour-depositing formulas in 23 shades that help keep your hair colour bright or can add colour to your natural or bleached strands. Containing no harmful chemicals, peroxide, ammonia or heavy alcohols this product is perfect for helping your hair stay bright, healthy and low maintenance. Visit www.overtone.co

12. TURBLISS' Gold Line comprises of Bioactive Peat Mask with 24 Gold and Illuminating Peat Water with 24K Gold. The pure nordic peat is highly effective for different skin problems. Enriched with 24K gold it smoothes out the appearance of existing wrinkles and enlivens the appearance of skin. Their oil free golden peat water gives a glittering shine to skin, hair and textile making it the perfect product for the summer. From Pure Nordic Nature. To find out more and to purchase, visit www.turbliiss.eu

13. TAYA BEAUTY's Copaiba Volumizing Collection is formulated using an ancient recipe containing Copaiba Resin from the Copaiba Tree, an ancient tropical tree that grows in the Amazonian Rainforest. Added to this are extracts of Yerba Mate, a plant which is super-rich in vitamins and amino acids and antioxidants. It also contains Raw Coconut Oil, which makes these formulas perfect for flat, limp, sagging, tired looking hair. View the full range at www.tayabeauty.com

14. URB APOTHECARY's Prickly Pear Eye + Face Elixir is formulated with penetrating precious seed oils, to brighten the appearance of skin, especially the dark circles under eyes. This luxuriant elixir has a high fatty-acid and vitamin e content, visit www.urbapothecary.com to see their full product range.
